SPECIAL MEETING TO OPEN BIDS FOR THE NEW TOWN TRUCK & UPFIT

The Board opened and reviewed bids from dealers of Mack, International, Western Star, Freightliner, Kenworth, and Peterbilt trucks. After discussion, Bridget made the following motion:

The town will purchase the Western Star truck from J&B for \$56,619 (priced at \$101,912 less \$45,000 for trade in). This purchase is contingent on a favorable review of specifications and warranties.

Anne seconded the motion, which carried (A.S., B.C., M.G., S.W. in favor; W.H. abstaining as Chair).

The Board opened and reviewed bids from H.P. Fairfield and Tenco for upfitting the new truck (dump body, sander, plows, etc.). After discussion, Bridget made the following motion:

The town will upfit the new truck through H.P. Fairfield, with the Hardox steel and electric tarp options. This is contingent upon the company being able to complete the work in accordance with the town's schedule.

Sue seconded the motion, which carried (A.S., B.C., M.G., S.W. in favor; W.H. abstaining as Chair).

Other Business – Nursing Home Taxes/Appropriation

Bridget reported that it's financially better for the nursing home to continue paying property taxes and receive an appropriation from the town rather than being exempt from taxes. This means the voters will be asked to vote down Article 10 on the Warning.
