By-Law Updates

We are still waiting on having the drawings completed for the Lakeshore document.

Kristen said that Karen Horn of VTCT informed her that the Legislative will be going around the State this summer holding hearings on the H526 document. They will work with the agency and towns to establish what towns need in place to be the permitting entity after next year.

Discussion then took place on several topics in order to clarify certain information relating to the bi-laws.

Meeting adjourned at 8.30pm.

Next meeting Monday June 10th 2013

Respectfully submitted by Diana Griffiths, Secretary.
