Fire Department Committee

April 11, 2013

11:30 a.m.

Present: Valdine Hall, Junior Salls and Bridget Collier

The fire department committee met today as authorized by the selectboard at its March 13, 2013 meeting “to facilitate the permit process and advertise for a clerk of the works:” ( see attached)

The committee members discussed information they had gathered on the Project Manager position. Members decided that the position should be paid on an hourly basis, but under a contract for an independent contractor.

Bridget drew up a preliminary advertisement, but after discussion the committee decided to do some more research. Bridget will be away until May 15, so the next meeting will be held after she returns on a date to be decided.

The meeting adjourned at 12:15
