The present draft of the Planning Commission survey for a new town plan is on the Greensboro Web Site for us to read and stay informed of their work. After the new Town Plan is in place, a new By-law will be written. It is then that the DRB needs to read and discuss it as a Board and give our insights on it to the Planning Commission.

There was no other business to come before the Board and the meeting was adjourned at 8:37.
