

Greensboro Recreation Committee
Regular Monthly Meeting
November 14, 2016
Collier Room, Greensboro Town Offices
DRAFT Minutes

Members Present: Michelle Laflam, Erica Karp, John Schweizer, and Kristen Leahy
Members Absent: None

Michelle will email a draft version of the Recreation Town Report to everyone for review.

Michelle will inquire if Dylan is willing to remove the soccer nets for the winter season. The nets will need to be stored at an accessible location.

John presented the proposed 2017 Budget for discussion.

Discussion ranged from improvement to the Bend Park, to the Bend Bulletin Board, to a potential swimming program at Caspian. Long range goals may include involvement with the Rail Trail efforts and seasonal parties. Funds will be allocated for these items as well as bike racks and a consultant for a potential pump track adjacent to the Bend playground.

Changes will be made to the budget and John will submit it to the Select Board.

Motion to adjourn at 4:05. All were in favor.
Respectfully submitted, Kristen Leahy
