Dear Greensboro Property Owner:

**If you were not plowed last year you must return the bottom portion of this letter acknowledging that you have read and accepted the terms and conditions stated in the driveway plowing policy printed on the reverse side.**

The Town has contracted with Brian Perry & Sons for driveway plowing. As the town no longer opens driveways upon request, "seasonal use" properties must be plowed from the beginning of the season. If you do not want your driveway plowed for the entire season, you can enter an "end date" on the form at the bottom of this letter. If we do not receive your signed acknowledgement, your driveway will not be placed on the driveway plow list.

**It is the property owner's responsibility to mark the driveway as well as wellheads, etc. that should be avoided.**

Sincerely,

Kim Greaves  
Town Clerk

**Please return the bottom portion by November 21, 2019.**

## WINTER PLOWING OF DRIVEWAYS

1. In order to be plowed, a driveway must meet town specifications, as contained in the Town's "*Driveway Design Specifications*." If these are not met, or if the driveway is deemed unplowable due to lack of maintenance, the contractor may refuse to plow your driveway.
2. Your driveway will not be placed on the "Plow List" unless you have signed and returned the damage waiver to the Town Office.
3. The Town has contracted with Brian Perry and Sons to plow driveways, please contact them at 472-6080 if you have concerns.
4. Your 911 number must be visible from the road and be placed high enough to be seen above the snowbanks. If you do not know your 911 number, please call the Town Office at 533-2911.
5. Driveways will be plowed after **5 inches** of snow has fallen. Driveways will not be sanded. If you need sand, you should call a private contractor.
6. Please be prepared to move your car(s) when the plow comes to your driveway. This is especially important if it is blocking the drive. If your car isn't moved, the drive will be plowed only up to that vehicle.
7. The undersigned agrees to not hold the Town of Greensboro or contractor liable for any damages to property during the course of winter driveway plowing.
